

MINISTER TO NEXT GENERATIONS

OVERVIEW

The Next Generation Minister will help fulfill First & Calvary's mission to labor alongside our Father as he draws people to Jesus and grows them as disciples in ministry to youth, college students, and young adults.

First & Calvary's award-winning facility is uniquely situated on a college campus with over 20,000 college students. We have been rapidly growing in ministry to international students. Our multi-generational church carries no debt and has a multi-million dollar foundation that supports the church and its ministries. We highly value raising up young ministry leaders by mentoring young ministry apprentices; leading the Scholars Program which provides internships for students in the arts to use their gifts in partnership with the church; and providing scholarships for ECO ordination candidates attending through the Foundation's Bacon Memorial Fund.

Springfield is the fastest-growing area in Missouri and is home to the Bass Pro Headquarters and Aquarium and part of the beautiful Ozarks region, as well as Drury University, Missouri State University, and Evangel University. Springfield is also a wonderful place for foodies as it is the leading area for restaurants per capita in the country.
